A single-family house may be converted to house two families at the discretion of the Planning and Zoning Commission.

Before approval the Commission shall find that the house to be converted is no longer suitable for single-family occupancy because of its size and that a house converted to two-family occupancy will not impair the character of the neighborhood or jeopardize single-family property values.

Special requirements for two-family conversion:

- (a) The house shall not have been increased in size during the last five years prior to the public hearing.
- (b) The lot area shall be not less than 30,000 square feet.
- (c) If private sanitary sewer is used the sewer system shall be suitable for two-family use and shall be certified by the director of health.
- (d) No additional family unit shall have less than 700 square feet of private living area.
- (e) The original living area shall not be reduced to less than 1100 square feet.
- (f) No exterior structural changes shall be made except for suitable egress for each family.
- (g) No outside stairway shall be constructed on the front or sides of the building.
- (h) On corner lots, all stairways shall be contained inside the building.
- (i) On-site vehicle parking shall be provided for each family on properly constructed bituminous or cement concrete areas.

2.02.02 Schools<sup>9</sup> and places of worship in accordance with the requirements of Article II, Section 1.00.02 and with the following Special Requirements:<sup>10</sup>

- (a) The minimum lot size to contain the place of worship shall be one acre.
- (b) The lot shall have frontage on a public street of not less than 200 feet.

- (b) The lot shall have frontage on a public street of not less than 200 feet.
- (c) The development shall have public sanitary sewer and public water.
- (d) Vehicle parking shall be in accordance with the requirements set forth in Article IV, Section 9.
- (e) The site shall be suitably landscaped.
- (f) All flood lighting and all other types of lighting which are intended to illuminate the building or yards shall be arranged so that the lights will not shine into the eyes of any person external to the premises, or cause a nuisance from excessive glare.
- (g) Site development plans shall be submitted to the Planning and Zoning Commission for approval.

2.02.05 Veterinary premises

Special requirements:

- (a) The minimum lot size to contain the use shall be one acre.
- (b) No part of the site shall be within 400 feet of a residential dwelling.
- (c) The site shall be suitably landscaped.
- (d) All flood lighting and all other types of lighting which are intended to illuminate the building or yards shall be arranged so that the lights will not shine into the eyes of any person external to the premises, or cause a nuisance from excessive glare.
- (e) Site development plans shall be submitted to the Planning and Zoning Commission for approval.

2.02.06 Cemetery<sup>12</sup>

May be developed at the discretion of the Planning and Zoning Commission.

Special requirements:

- (a) No cemetery shall be developed until the State Department of Health has approved the tract for cemetery purposes.
- (b) All flood lighting and all other types of lighting which are intended to illuminate the building or yards shall be arranged so that the lights will not

<sup>19</sup> Rev. 01/26/81

2.02.14 Supervised group homes for children with special needs<sup>20</sup>

Purpose: A special exception for supervised group homes for children with special needs is intended to provide a location which offers a safe, secure, homelike environment for the children; to secure proper individual treatment for each child; to provide an environment which will aid in the development of educational, vocational and independent living skills; and to assist the home's residents in establishing a more permanent living situation with their family, a foster family, or in independent living. Such homes shall be located with due consideration being given to the adequacy of the building to support the use, to the character of the neighborhood, to the ability of the proposed group home to look and function as if it were a single-family unit, and to the concern for the health, safety and welfare of both the residents of the home and the residents of the immediate neighborhood.

## (a) Definitions:

1. A supervised group home for children with special needs is a dwelling (1) owned or operated by a public agency or a private non-profit organization properly licensed by the Department of Children and Youth Services of the State of Connecticut and (2) staffed by appropriately trained persons who reside on the premises.
2. A "child with special needs" is a child between ages 13 and 18 requiring residential care but who has not been involved in violent crime, is not overly aggressive, is not self-destructive and is not a known substance abuser.

(b) Supervised group homes for such children may be conducted after approval by the Planning and Zoning Commission which may in its discretion limit the use of the special exception to the applicant.

(c) The special exception authorized under this regulation shall be automatically revoked in the event that the supervised group home facility (1) loses its license from the State Department of Children and Youth Services or (2) ceases to be used as a supervised group home for children with special needs for more than one year. The operator shall notify the Planning and Zoning Commission in writing of the date the facility ceases to be so used, within 30 days of the day of cessation.

(d) The Planning and Zoning Commission shall set minimum floor areas, but in no event shall they be less than the minimum floor area requirements of the Town of Manchester Housing Code for sleeping and other habitable areas. In no event shall a group home provide housing for more than eight children with special needs and two resident staff.

(e) The group home shall look and function as if it were housing a single-family

---

unit. Any development of the premises or construction and remodeling of principal or accessory buildings shall be compatible with the residential character of the surrounding neighborhood.

- (f) The principal building or buildings shall be constructed and remodeled so as to remain usable and saleable as a single-family dwelling if the group home facility use is terminated. No enlargement of the structure or construction of an additional structure shall be permitted on the premises unless approved by the Planning and Zoning Commission at the initial granting of the special exception or subsequently as a new special exception approval under this section.
- (g) Adequate fire exits as determined by the chief building official and cognizant fire marshal shall be provided to ensure the safety of the occupants. No outside stairway shall be constructed on the front or sides of the dwelling. On corner lots all stairways shall be contained inside the building.
- (h) No site of a supervised group home for children with special needs shall be within 1,000 feet of the site of another supervised group home.
- (i) Parking requirements:
  - 1. Parking spaces shall be provided to serve residents and visitors, but a minimum of two off-street parking spaces shall be provided. Parking spaces within a garage shall be credited towards this parking requirement. All parking surfaces shall be paved. No parking surface other than an entrance drive shall be permitted in the front yard.
  - 2. Plans for parking areas shall include landscaping and fencing sufficient to assure the residential character of the premises and to minimize the intrusion of vehicular lights onto adjacent residential property.
  - 3. The stormwater management aspects of the site development shall comply with the Town of Manchester "Public Improvement Standards" unless the Public Works Director/Town Engineer or designee grants a waiver, in writing, if the applicant demonstrates that the proposed development does not increase the site's impervious area or alter the site's existing drainage patterns in any way.<sup>21</sup>
- (j) Outdoor recreation facilities shall not be substantially different from those which serve a single-family dwelling. The parcel shall include at least 1,500 square feet of passive recreation area, unless, for good cause shown, the Planning and Zoning Commission approves a smaller passive recreation area.
- (k) Building plans showing all rooms, room sizes, intended uses of each room,

---

<sup>21</sup> Rev. 11/03/03, effective 11/28/03

---

and alterations to the building shall be submitted with the application to the Planning and Zoning Commission for approval.<sup>22</sup>

- (l) Any alteration or additions to the structure or construction of an additional structure shall comply with the area, yard and bulk requirement for the respective zone for single-family dwellings.
- (m) The Planning and Zoning Commission may, based on reasonable and minimum standards, impose such additional conditions and modifications as it finds necessary to protect the public health, safety and welfare.
